

The school song

Chorus:

School, school,
Hurray, hurray!
It's back to school today.
Today it's maths
And geography.
Tomorrow
It's art and history.

We learn music
And biology.
My best friend
Sits next to me.

School, school,
Hurray, hurray!
It's back to school today.
We learn English
And German too.
We learn French:
«Comment allez-vous?»

We eat lunch
At the school canteen:
Hamburgers, chips
And soggy green beans.

School, school,
Hurray, hurray!
It's back to school today.

Welcome to my house

In my house
There's lots to see
You're very welcome
Just follow me.

In the kitchen
I can see
Pots and pans
And a pot of tea.
Chorus...

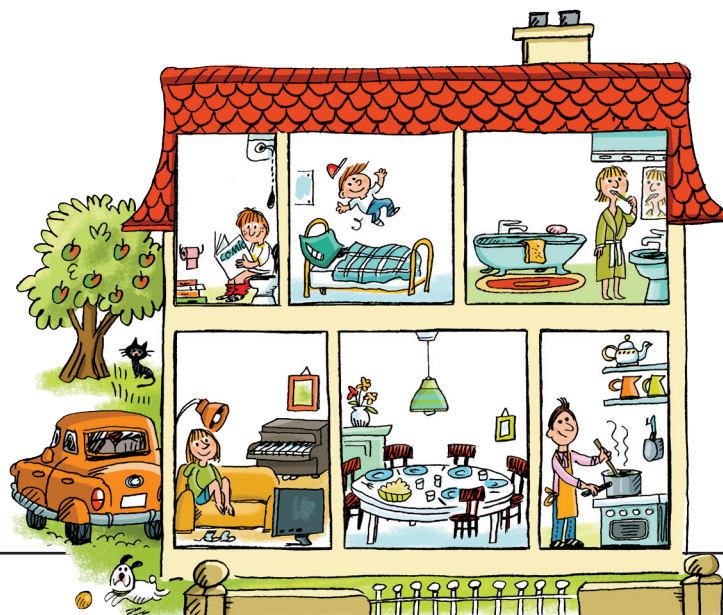

In the dining room
I can see
A table and chairs
And dinner for me.
Chorus...

In the living room
I can see
A sofa, a piano
And a big TV.
Chorus...

In the bedroom
I can see
A bed and a blanket
And a pillow for me.
Chorus...

In the bathroom
I can see
A bath and a towel
And soap for me.
Chorus...

In the garden
I can see
A cat and a dog
And an apple tree.
Chorus...

Take me out to the ball game

Take me out to the ball game,

Take me out to the crowd.

Buy me some peanuts and Cracker Jacks,

I don't care if I ever get back.

Cause it's root, root, root for the home team.

If they don't win, it's a shame!

For it's one, two, three strikes you're out

At the old ball game.

Australian animals

Have you seen a kangaroo

Jumping, jumping?

I've never seen a kangaroo

Jumping, jumping!

What do they look like?

Really funny!

Where do they live?

A place that's sunny!

Australia!

Have you seen a crocodile

Eating, eating?

I've never seen a crocodile

Eating, eating!

What do they look like?

Really funny!

Where do they live?

A place that's sunny!

Australia!

Have you seen a koala bear?

Climbing, climbing?

I've never seen a kola bear

Climbing, climbing!

What do they look like?

Really funny!

Where do they live?

A place that's sunny!

Australia!

Have you seen a wallaby

Hopping, hopping?

I've never seen a wallaby

Hopping, hopping!

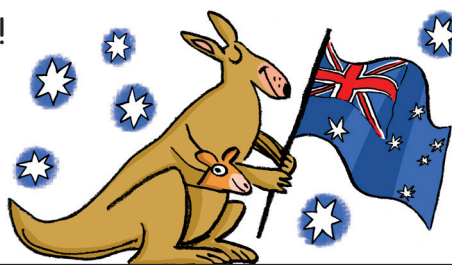

What do they look like?

Really funny!

Where do they live?

A place that's sunny!

Australia!

The magic carpet

Chorus:

I want to see the world
On a magic carpet for two
Come with me
There are lots of places to see

Let's go to India
Just you and me
There's a tiger, an elephant
And there's a monkey

Let's go to Brazil
Just you and me
We can dance the samba
Under a coconut tree

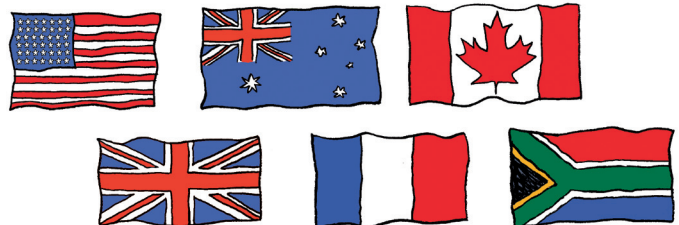

I want to see the world
On a magic carpet for two
Come with me
There are lots of places to see

Let's go to China

Just me and you
We can eat with chopsticks
Made from bamboo

Lets' go to Egypt
Just me and you
There's a camel in the desert
And there's the Nile too

I want to see the world
On a magic carpet for two
Come with me
There are lots of places to see

Sport song

Come on everybody
It's sports day today
Parents and teachers
And children can play

I love football
Don't watch it on TV
It's my favourite game
Come and play with me !

I love tennis
It's a game for two
You play with a racket
And a tennis ball too

Come on everybody
It's sports day today
Parents and teachers
And children can play

I love rugby
You run with the ball
As fast as you can
And try not to fall

I love swimming
Let's swim in the pool
Let's have a race
Swimming is cool!

Come on everybody
It's sports day today
Parents and teachers
And children can play
